

Hello.....I'm writing today to wage a complaint about Sinclair Broadcasting, and its plan to broadcast the anti Kerry propaganda days before the election. Since the airwaves are free.....so far, I think Sinclair's brand of journalism is very corrupt and one sided in favor of the Neo Conservative agenda of the present administration of BUSH /CHENEY. I THINK the license should be revoked ! Its a sad day in America when such one sided views are given free reign over discusssion and dissent! Thank you very much
